Bossier Early Childhood Ready Start Network
Blueprint 2022-2023

Bossier Early Childhood Ready Start Network is comprised of the following early childhood partners:

16 Public School Sites
45 PreK 4 Classrooms

5 Head Start Sites
20 PreK 3/PreK4 Classrooms
4 Infant/Toddler Classrooms
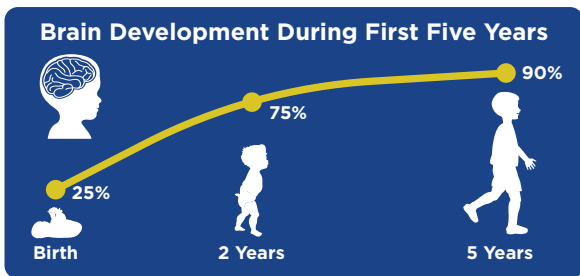

16 Early Learning Centers
21 Infant Classrooms
41 Toddler Classrooms
30 PreK 3/PreK 4 Classrooms

VISION:
Bossier Early Childhood Ready Start Network Partners are committed to preparing children ages **birth to five years** for success in all future educational and life experiences.

MISSON:
Bossier Early Childhood Ready Start Network Partners will provide **safe**, **nurturing**, **child-centered** quality educational experiences which support individual intellectual and social **growth** and **development**.

Brain Development During First Five Years

25% Birth
75% 2 Years
90% 5 Years

This graphic shows the percentage of brain development from birth to 5 years old. When a child is in a high-quality setting, connections in the brain become stronger. Children's future success depends upon early experiences. Bossier Ready Start's vision is to build strong foundations for all children to make investments in their future

GOAL 1
Increase community awareness of Bossier Parish early childhood programs.

GOAL 2
Establish a formal local governance for BECRSN to promote and support BECRSN

GOAL 3
Create and implement a Coordinated Enrollment process that is user friendly and inclusive of all families and all Bossier early childhood programs

GOAL 4
Increase access to high quality early childhood programs for children ages birth to age three through braiding public and private funding opportunities.

Bossier early childhood publicly funded programs currently provide high quality educational experiences for over **1,030** economically disadvantaged children ages birth to age five. But we can do **even better** with your help!
